

“Heroes of the Ozarks” Auction Listings

Each piece of art has been created by a Head Start child from our 10-county area. We have attempted to describe the medium utilized as well as include the child’s name and title (if given).

You will also see a Thank You with many of the pieces of art. The thank s go out to our sponsors for their support for our agency and the children we serve.

Bidding will begin around 7:30 on Thursday during our benefit. If you are unable to attend but would like to bid on the work, please call 417.864.3448 and we can make arrangements.
