Life Skills for Family & Personal Safety

Emphasis will be on tornadoes & earthquakes

OACAC Stone County Neighborhood Center is having a life skills class on personal safety. This class will teach you what you need to know in different types of emergencies, what you will need, and more importantly, how to make sure you and your family stay safe. For OACAC qualifying clients, at the end of the class you will receive a First Aid Kit, a Weather Radio, and a Smoke Alarm.

You must register to attend and have a current OACAC file to receive the items listed. Contact Gail Compton at (417) 272-8508.

This Lifeskills Class Provided by the Community Services Block Grant.
