

This presentation is sponsored by the Stone County OACAC Neighborhood Center in partnership with Hospice Compassus of Branson, Missouri

This is a “no-yawn” DVD series that addresses issues like:

- ***What “person-centered care” looks like in its most advanced form*** (a short film highlights the care of Mary's mother/Rachel's grandmother)
- ***Practical ways to meet the six most important emotional needs*** of those with dementia (based on Dr. Tom Kitwood's work)
- ***Easy-to-use tools for boosting self-esteem*** in elders
- ***How to make use of both verbal and non-verbal communication skills*** in dementia care
- ***Tips on how to create the amazing “Trigger/Flash” experiences*** (when a person with dementia becomes present in the moment)
- ***A quick overview of creative activities*** used to engage those with dementia around the world
