### PEOPLE HELPING PEOPLE

Teamwork is the word to describe the Container Gardening Workshop that took place on Tuesday, May 25th at the Branson West Wal-Mart Garden Center. The idea came from the Ozarks Area Community Action Corporation, commonly referred to as OACAC, as a good way for their clients to be able to grow their own produce and reap the obvious benefits. The local Wal-Mart furnished containers, soil, plants, seeds and tools along with the necessary space to hold this workshop. Master Gardeners of the Ozarks were the instructors.
