Timetable established for Cruiser bus stops

Published:
Thursday, May 20, 2010 9:06 PM CDT

Two weeks after The Bolivar Cruiser public transit system launched on May 3, ridership is steadily increasing, according to Scott Kosky, southwest regional director for OATS Inc., the company that is operating the buses.

A recent addition to the system is a [timetable](#) of approximate arrival times at major [stops on the route](#).

The bus operates seven days a week, from 6 a.m. to 7:30 p.m. Monday through Friday and 9 a.m. to 2 p.m. Saturday and Sunday.

The red route operates seven days a week for the entire schedule, and the blue route operates from 6 to 10:30 a.m. and 3 to 7:30 p.m. Monday through Friday running in the opposite direction.

The system is a flexible fixed [route](#), meaning that it makes regular stops but also can deviate from the route to pick up individuals with disabilities who are physically unable to get to a stop. The buses are equipped with handicapped-accessible equipment. To arrange for a pick up other than the stops shown on the map, contact the Polk County Health Center at 326-7250.

Weekend curb-to-curb service is available by calling the Health Center before 4 p.m. Friday.

Tickets cost \$1 per day or \$25 per month for unlimited rides. Tickets can be purchased from the bus drivers.

For more information about the transit system, call the Health Center, the Polk County OACAC Neighborhood Center at 326-6276 or Bolivar Mayor Charles Ealy at 326-2489.
